The **B'dam BrewJAM Craft Beer & Music Festival** is our BIG fundraising event, and as a BrewJAM Sponsor, your company is at the heart of one of Western Hanover's biggest happenings!

Beaverdam is a rural community that has to shop and dine out of the area (30-minutes to Ashland, Short Pump or Fredericksburg). Sponsorship highlights your company's products & services to a receptive audience throughout the surrounding area.

Additionally, we provide extensive promotion of our sponsors before, during and after the event. We appreciate tight budgets – our goal is to utilize your donation most effectively and to highlight your support *at all our events throughout the year.*

Please contact any Ruritan Member if you have questions or visit us @ www.BrewJAM.org or www.BeaverdamRuritan.org for more information.

THANK YOU FOR YOUR SUPPORT!!
